WRITE

VolleyWrite.com

You will enter most information on the Set tab.

* This example shows NFHS rules.

Lineup
- Type numbers into lineup diagrams
- Pre-populate lineup with numbers from previous set

Start 🏃 Start
The Start button moves the rules and teams onto the Set tab.

Lineup Entry Methods
- Lineup button
- Drag and drop between bench and court positions (begin either place)
- Double-click bench numbers to enter in floor or service order (per Rules tab)

Substitutions
- Click on a bench player then click on a number on the court.
- If player has already been on the court, double click number on the bench and confirm

Libero Replacements
- Drag & drop between libero box and court
- Double-click blue # in libero box to move to service position
- Double-click number in replacement box to move back onto court

Replay/Re-Serve
Record a replay or a re-serve

Rally Point
Record Points

First Serve
Arrow or radio buttons (when you can select)

Change Courts
Before the match, move teams to the correct sides of the display

Injury
- Officials' timers
- Re-populate the court if necessary

Disabled buttons are "washed out"

Server Verification
You can sub in a new server – the number in the bubble updates

Undo
Erase the last action

Penalty
- Unnecessary delay
- Illegal player/server
- Warning (yellow card)
- Penalty (red card)
- DQ (red & yellow cards)

Captain Tracking

Add Player
Add player to roster or bench

Change Jersey
Change # on player's jersey due to blood or scorer's roster entry error

"Retired" number cannot participate

Libero Tracking

Libero served ▲

Manual Fix
Advanced error correction: change starting lineup, edit subs and libero actions, add and remove points.

External Display
- Scoreboard
- Score sheet
- Floor layout

Time-out
Start Time-out clock, and update time-out counts

End of Set
Verify NFHS score sheet

End of Match
- Verify score sheet
- Save Match file
- Save rule/roster changes
